Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended, based on Amendments filed on 01/20/2006, to correct several informalities as listed below:

Claim 1, line 6, change "cell based" to **—cell-based—**.

Claim 16, line 5, change "cell based" to **—cell-based—**.

Claim 18, line 6, change "cell based" to **—cell-based—**.

Reasons for Allowance

Claims 1 – 20 are allowed over the prior art of record. An examiner's statement of reasons for allowance is given in the following:

Claims 1 – 20 are allowed because the prior art does not teach or fairly suggest the following subject matter:

- A method for re-using diffused cell-based IP blocks in a structured application specific integrated circuit (ASIC) comprising a step of providing one or more alternative views for one or more blocks of intellectual property, wherein each of said alternative views (i) realizes an alternative functionality for at least one block of intellectual property (ii) re-uses at least one cell-based building block being utilized in said at least one block of intellectual property in an original view, which uses all of the cell-based building blocks in the structured ASIC in combination with other limitation as recited in independent **Claim 1**;
- A computer readable medium comprising one or more alternative views for one or more blocks of intellectual property, wherein each of said alternative views (i) realizes an alternative functionality for at least one block of intellectual property (ii) re-uses at least one cell-based building block being utilized in said at least one block of intellectual property in a default view, which uses all of the cell-based building blocks in the
